Consequences

We don't expect to have any problems with our wonderful students but by chance if someone seems to be causing a problem they will receive a warning. If that person needs a second warning we will contact his/her parent or guardian. If that student continues to cause problems he/she will be asked not to come back. Please read these rules over with your child so they understand them. Thank you.

I have read these rules and consequences with my child and they understand them.
